

Flexible • Affordable • World-Class •

How about paying monthly and not annually

Or not having to worry about Agency or Legal fees

Or not worrying about **Diesel or Internet Connection**

Without Paying for Annual Service Charge.

And still Run Your Business in a

WORLD CLASS
e n v i r o n m e n t

At Venia Business Hub, it is

POSSIBLE

Flexible • Affordable • World-Class •

About us

At Venia Business Hub, we make doing business in Nigeria the most cost-effective option for any company. Whether you're a multinational or SME, Start-Up or Established Conglomerate, our hubs provide unbeatable Serviced Office Spaces at unbeatable rates. At Venia Business Hub, your business is our business!

Our Mission

Venia Business Hub consistently works to provide Entrepreneurs, Start-Ups, Corporate and Multinationals a world-class business environment that is flexible, practical and affordable for launching and running their businesses or organisations.

Our People

As the first people your clients will interact with when coming to see you at our hubs, our staff are effectively an extension of your business. This is why we always ensure that you're represented in the most professional way at all times. Our team are enthusiastic and passionate about their work. They will answer your calls promptly and politely with your company name, portraying a professional and friendly manner every time. They'll take care of the cleaning, maintenance, post, and they also look the part .
